

CHSS GRADUATE STUDIES FREQUENTLY ASKED QUESTIONS

(FAQ)

How do I apply?

Students wishing to enroll in a program can apply online through the [online application system](#).

This online service allows you to:

- Complete the online application form.
- Save your application to complete later (please note your Login ID and PIN).
- Upload documents in support of your application (each document separately).
- Submit your online application.
- Upload the [security form](#).

What documents are required?

- Emirati students require a copy of passport, nationality ID and UAE identity card. International students inside UAE require a copy of passport, valid visa and UAE identity card. International students outside UAE need only a copy of the passport.

- Copy of official certificates & transcripts (Mark sheet) from all colleges or universities attended (Master and Bachelor). Students who have Degrees from outside UAE are required to get the equivalency letter from the Ministry of Education in UAE.
- An official copy of the applicant's score on the IELTS or TOEFL exam from an accredited center.
- A detailed curriculum vitae (CV).
- Two letters of recommendation from professionals familiar with the student's academic work.
- Completed [Security Form](#).

When will I receive a response on my application?

Results of the application will be announced at least a month prior to the registration period. Applicants will find the result on the application system. For any question regarding the application please contact the UAEU Admissions Office: PostGraduateAdmissions@uaeu.ac.ae / +971 3 7134279.

How much do the Master's Programs cost?

To view the tuition fees of the Master's Programs, please visit the [Program and Accommodation Fees](#) webpage. Once accepted, applicants can pay their Master's Program fees using their bank card through E-Services.

Are there scholarships available?

Yes. UAEU has a variety of financial support options available for its students.

To view the scholarships available, please visit the [Scholarships, Fellowships, and Graduate Assistantships](#) webpage.

What is the duration of the Master's Programs?

The Master's Programs usually span 2 to 3 years depending on the program and student's selection of thesis/non-thesis/internship options.

Can I pay for this program in installments?

Yes, installment payment is possible. The Installment tuition fee service is an online service that provides students with an alternative method to pay their tuition fees during each semester. The student may divide the tuition fee in three installments within three months (for all Master and PHD students), or four installments within four months (for only DBA students and student employees at UAE University), in which the student will pay the amount agreed upon in the online service within the specified date. The service opens at the beginning of each semester and will be announced to all students by the financial department.

What is the start date for the programs?

The start date for each semester as well as other important dates can be found on the [UAEU calendar](#) webpage.

Is hostel facility available and if yes, what additional fees are required?

Yes, the university provides paid hostel facilities that include meals and transportation to the university if necessary. To view the hostel fees, please visit the [Program and Accommodation Fees](#) webpage.

In what language are the programs taught?

The language of instruction in UAEU is English. With the exception of programs specified as Arabic-taught.

I have a question that isn't answered here! Who can I contact for further help?

If you need further information, please contact UAEU Admissions Office (PostGraduateAdmissions@uaeu.ac.ae / +971 3 7134279) for assistance. In case of technical problems (login or password problems) please contact the Helpdesk (Helpdesk@uaeu.ac.ae, Tel: +971 3 7136111).
